PAC of Maryland - National Capital Building Industry Association

## CONTRIBUTE TO HOUSING MARYLAND PAC

*HousingMaryland PAC* (Political Action Committee) is comprised of an outstanding group of industry leaders selected to make decisions on how and when to spend the industry's political dollars to ensure a favorable business and political environment for the Maryland and National Capital building and housing industry. PAC committee members carefully review the political landscape and thoughtfully allocate resources to support key races or issues. In addition to supporting candidates and donating monies to political campaigns, *HousingMaryland PAC* committee members also research voting records and analyze local & state initiatives with the goal of being a well-recognized, respected political force in the region.

If YOU want to help *HousingMaryland PAC* be an influential force in the region make a contribution now and become a member of the PAC! *HousingMaryland PAC* is a continuing committee formed to support both local and state candidates.
